Wire Phosphste Treatment

Multi-station Cold-forging M/C

Secondary Operation M/C

Electroplating

Auto Parts

# Anchor Fasteners Co., Ltd.

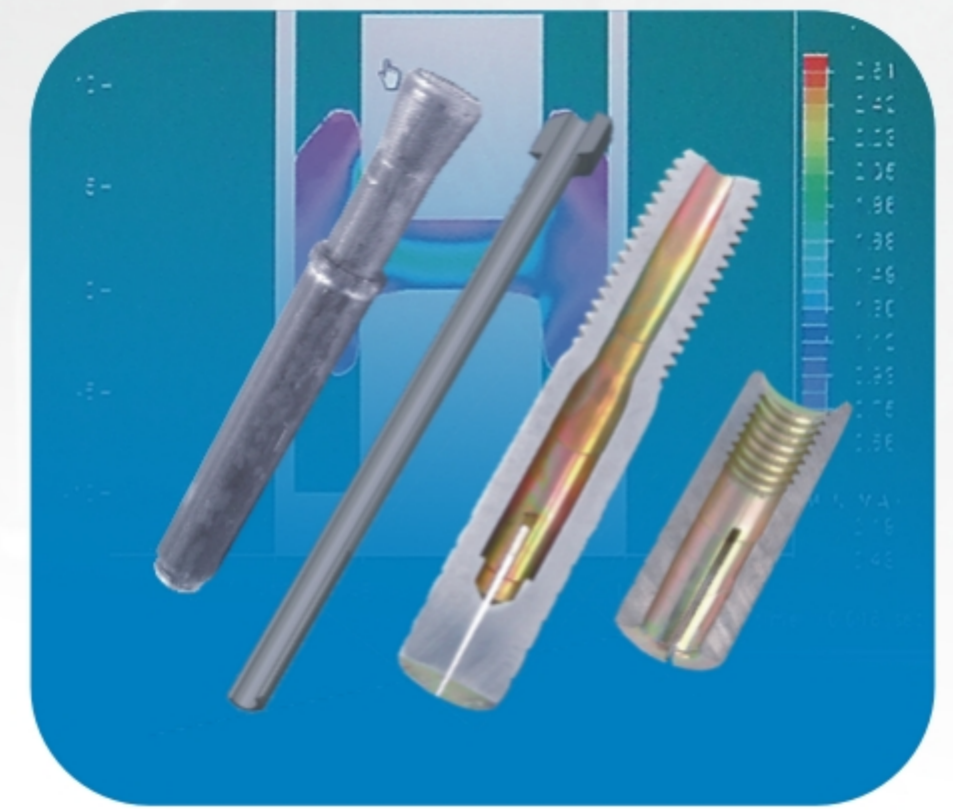

Anchor Fasteners was founded in 1986, located in Kangshan, Kaohsiung, Taiwan. With more than 40 years experienced in manufacturing expansion anchors, fixing fasteners and auto parts, now Anchor Fasteners is ready to provide more wide range of products from nut items to bolt items utilizing cold forming to open die forming technology. Accredited with ISO9001, ISO14001, IATF16949 and experienced with CE process, Anchor Fasteners is your best solution to your market with strong technical support.

## Quality Assurance Department

## Research & Development Department

Anchor has developed rivet nut sorting M/C by ourselves. All parts are 100% sorted and the defective ratio less than 25PPM is guaranteed.

# Ningbo Anker Special Fasteners Ind., Ltd.

2005 established Ningbo Anker Special Fasteners Ind., Ltd.

In order to satisfy the great potential needs of "convenience of one stop shopping" and "JUST IN TIME" in China domestic market, Anchor provides a variety of expansion anchors, hand tools, rivet nuts, pipe fittings, construction hardware, automotive parts, and bicycle parts.
